At the Integral Spiritual Center gathering in 2006, Dr. Rabbi Marc Gafni, in response to a spiritual invitation issued by Ken Wilber, unpacked and shared the principles of Integral Kabbalah. Dr. Marc shared with us one of the Great Illuminated Teachings of the Western Enlightenment Traditions – the teaching and practice of the Unique Self.

We are therefore proud to present this new and compelling Integral Path of Transformation- the path and practice of the Unique Self: Realizing the Unique Purpose of Your Life as the Key to your Nondual Realization and Spiritual Path.

In this special and limited, home study telecourse, spiritual teacher Dr. Rabbi Marc Gafni will share, illuminate, instruct and transmit this core teaching of the Western Enlightenment path. Based on foundational principles of Integral Kabbalah, Esoteric Christianity, and Esoteric Islam {Sufism}, Dr. Rabbi Marc will share with you the mystical teaching, practice and instruction of the path of Unique Self.

Join Dr. Rabbi Marc Gafni and practice this new, yet ancient dharma, for the transformation of your life!

In this three-week home study program, you will learn:

- * The Four Noble Truths of Unique Self
- * The complete set of Unique Self Practices that you can deploy in your life immediately, easily, and effectively
- * The five keys to unlock your Unique Self and Unique Purpose

* How to define and manifest your Unique Life Mission and Purpose in every situation

* The four Unique Self principles of loving which, when manifested, will transform your love relationships in a significant and powerful way

* First, second and third person Unique Self practices that will change your relationship to yourself, God, nature and community

Integral practice is a comprehensive approach to your personal evolution, growth and transformation. Integral Practice brings together the world's best evolutionary practices and the most potent insights for you to engage on your personal growth journey. These insights have been lovingly gathered from the all of the great systems of mind and heart that have been flourishing on our planet since the dawn of humanity. These heart opening and mind-blowing methods of Integral Personal Evolution have been tried and tested in the spiritual lab of human potential and developed by Ken Wilber, together with Diane Musho Hamilton Sensei, Dr. Rabbi Marc Gafni and several other lineage holders from some of the great spiritual traditions, through the Integral Institute.

These practices and teachings have been brought together into a systematic program of spiritual cross-training, designed to radically transform your life on all levels and lines of your existence.

Integral practice uses the leading edge systems and models of human growth- East and West - and distills their major components into five simple insights and practices that are the essential elements or keys to unlocking and facilitating human evolution.

If you are committed to:

- Being love, giving love, and receiving love
- Being a significantly happier, deeper, and more evolved being
- Meeting your human obligation to grow and transform

- Committed to giving your most profound gifts to heal the fragmented world we live in

Then you CANNOT AFFORD NOT TO MISS OUR INTEGRAL PRACTICE TELECOURSE.

Life demands that we show-up in the gorgeous wonder of our pure excellence. We can either hear the personal address of the Kosmos calling us in love, to Wake Up and Be the Beauty that you Already Are, or remain asleep. If you are committed to genuine change, to embodying an enlightened evolutionary worldview, to being love, to being freedom in your inner and outer world, and to partnering with the Divine in re-creating the Kosmos – start today with Integral Practice!

In this year-long intensive, Integral Spiritual leaders and teachers Diane Musho Hamilton Sensei and Dr. Rabbi Marc Gafni will offer you personal challenges and deeply loving instruction through a breakthrough program for evolving your body, mind, and spirit through all quadrants, levels and lines of your life.

Learn tools to sustain your personal and spiritual growth practice for life. Develop an Integral Practice that is self-supportive, self-sustaining, and self-actualizing.
